The MBEA is proud to have the Financial Executives International - Twin Cities Chapter as a rotating partner.

The MBEA encourages high ethical standards in business and honors those Minnesota businesses that exemplify and promote the highest standards of ethical conduct in the workplace, the marketplace, the environment and in communities where they have operations and relationships.

The Minnesota Business Ethics Awards program is a joint effort, founded in 1999, by the Society of Financial Service Professionals – Twin Cities Chapter and by the Center for Ethical Business Cultures at the University of St. Thomas. Once again this year we are pleased to welcome FEI (Financial Executives International) as our supporting partner.
